HOME VISITS (for our patients in our visiting area)

We ask you to limit requests for home visits to occasions where it is impossible to attend the Clinic for medical reasons. To enable us to plan our day it is appreciated if you notify us as early as possible.

TEACHING ACTIVITIES

This clinic is accredited as a training clinic for Royal Australian College of General Practitioners Registrars (fully qualified doctors training to become general practitioners).

APPOINTMENTS

Consultations are conducted by prior appointment. A standard appointment is 15 minutes. Please let the receptionist know if you require a longer appointment. Longer appointments will be necessary for insurance or employment medicals, removal (excision) of skin lesions, full medical checks and complex medical problems. Appointments should also be booked with our Practice Nurses.

FEEDBACK

We are keen to hear your feedback about any aspect of your care. Please use the suggestion box in the waiting room, or discuss with your doctor or the Practice Manager. This practice has a protocol for the handling of complaints, and you can be assured that your complaint will be dealt with in a sincere and professional manner. Should you feel that your complaint has not been dealt with satisfactorily you may direct your concerns to the Australian Health Practitioner Regulation Agency (1300 419 495).

SICKNESS CERTIFICATES

Sickness certificates will not be issued without a doctor's consultation.

IMMUNISATIONS

Routine immunisations are available for both children and adults. An appointment is necessary with the nurse and your doctor so please inform reception staff. Special immunisations require prior discussion with your doctor.

TEST RESULTS

Patients are required to make an appointment to discuss the results of any investigations such as blood tests and x-rays unless otherwise directed by your Doctor.

MESSAGES

Reception staff are happy to take your details and relay a message to the doctor to return your call. Doctors will return your call when they are not seeing patients, during normal surgery hours. If your call is urgent you need to explain the situation to the receptionist who will deal with your call appropriately. Emails are discouraged as they are not a secure form of communication.

DISABLED ACCESS

Wheel-chair access is available.

CAR PARKING

Car parking is provided at all our practices.

URGENT MEDICAL ATTENTION

If you have an urgent medical situation that does not require an ambulance or hospital attention, please come to the Clinic to be seen by the first available Doctor.
