

GENERAL PRACTITIONER WANTED!

Join Our Well-Established Mixed Billing Private Medical Practice

We are seeking a fully qualified, motivated and patient-focused General Practitioner to join our well-established and growing medical practice.

With a strong existing patient base and consistent demand for appointments, this is an excellent opportunity for a GP looking to join a supportive practice without the need to build a patient base from scratch.

Why Join Us?

- Mixed billing practice
- Competitive remuneration and attractive percentage
- Strong established patient base
- Flexible working hours – full or part-time
- Modern, well established medical clinic
- Supportive multi-disciplinary team environment with experienced nursing staff and administrative staff
- On-site Allied Health Services and Pathology Collection
- Modern practice systems and technology
- Excellent patient demand and opportunity to grow your patient base
- Focus on quality patient care and long-term doctor-patient relationships

Requirements:

- FRACGP qualification (or equivalent)
- Current AHPRA registration
- Excellent communication and clinical skills

We pride ourselves on creating a professional, supportive and enjoyable working environment, allowing our doctors to focus on providing excellent patient care while having the support of an experienced team.

If you are a dedicated GP looking for a well-established mixed billing practice with excellent support and strong patient demand, we would love to hear from you.

Location:

517 Regency Road, Sefton Park SA
